new warfronts. Total war is not an option when countries acquire nuclear weapons, & in time of conflict war is senseless because nuclear bombs are more deadly & have larger generational & geographical impacts. Huge amount of annual budgets are dedicated to acquire these weapons to attain peace. This is perceived as expensive but an efficient way to maintain peace. Peacemaking, therefore may seem irrational bcs of difficult means i.e. Disarmament. World leaders have to initiate peace making, but we can help them in it. We have to reexamine ourselves as individuals & nations. The change starts from within, we need to get rid of pessimist believes & work towards issues which are created by our kind. We cannot sit idle, there is need to create small achievable goals & work towards them.
