Q. NO. 02

Peace: the necessary rational end
 of rational men

6/20 ✓

Peace is essential as the world has entered into a nuclear age. It is useless to wage a war in this age because some countries contain more nuclear weapons as compared to other countries. Further, these countries are spending billions of dollars in developing nuclear weapons with varying capabilities. The acquisition of these arsenals is a major

hindrance in developing peace. Some people suggest that peace will be achieved with the help of both leaders and citizens. Firstly, citizens have to change their attitude from impossible to possible in achieving peace.

Then, leaders must adopt a change in approach and also with a strong hope, peace can be insured.
