Title : Hope in the quagmire of war..

5/20

In this era, the concept of War and Peace go hand in hand. War does not give meaning / sense in the contemporary era where it is understood that ~~large~~ great powers are controlling the large nuclear force; single nuclear weapons can cause ten times more damage than the previous ones; and the impacts of war are long lasting and felt through the generation. Moreover, peace can be secured by acquisition of these deadly nuclear weapons. But, it is also believed that all efforts of acquiring peace are useless unless the leaders of the great nations show more rational approach or mindset.
