Read the passage carefully

## Passage

8/20

**Ans # 1:**

The time period during which rain does not fall for weeks or even months. This time period is called drought. It has great devastating impacts, not only on human lives but also on animals and environment. During this time period, all the crops get dried; the cattle are died from thirst and all the streams and water bodies are dried up.

**Ans # 2:**

The writer does not endorse the popular saying about the red sky that are linked with weather. He says that these sayings are still present like: "A red sky at night is the shepherd's delight. A red sky in the morning is the shepherd's warning." He just links these old saying with the present age / present time.

**Ans # 3:**

The weather forecasting is

meteorology is a complete science which is known as 'meteorology'. This weather science is comprehended by weather experts who are keen observers about the changing movements of winds, clouds and other things. Every aspect is carefully studied.

**Ans # 4:**

Weather forecasting is not an easy thing. The reason is, to forecast a weather, there are several factors that are kept under observation. There are many different things that Write the factors affecting the weather to tell about weather forecast accurately. So, weather forecast is difficult <sup>because it</sup> to consider many aspects.

**Ans # 5:**

As in ancient times, there were no instruments that were used to measure the forecast. So moon was used for it. It was thought that moon hold water, so it controlled weather. When the shape of moon is sickle shaped, it holds water. Moreover, people still believe that moon's sight lying on its back means that rain is on its way of coming.

Q # 6(B)

Mr. Thomson does an appeal in the court for seeking compensation. The judge asks him that he is seeking compensation for wrongful termination. He says, yes because he was unfairly dismissed. Judge asks about his tenure in service, that is eight <sup>months</sup> ~~years~~ he informs. The judge informs plaintiff that those employee who are less than a year in the service can't get relief unless there is an evidence of discrimination or specific violation of rights. He reiterates that his rights were violated. However, judge says that he can't grant relief on such grounds because

he is bounded by the law. Plaintiff says, <sup>he</sup> understands and judge dismisses the case.

Q#7

## Translation

3/10

Recently, a controversy emerged

Lately, a conflict generated in a book fair in Lahore. The reason was, there were many stalls of edible things and non academic things, instead of focusing on academic activities. It has downplayed the essence of book fair. Many participants expressed at it and felt that "book fair" had become a street food where these <sup>usual</sup> less importance for books, writers and academic dialogues. The focus <sup>was</sup> ~~was~~ given to edible stalls instead of studying and selling books. It has started a <sup>new</sup> debate whether this event was held to promote academic purpose or it was promoting merely prioritizing commercial interests.
