P3 Part 2

Title :- Need for Peace in an era of the Arms Race

The world has made so Nuclear weapons that can inflict more damage on the globe than the sum total of fire power did in World War II. Building more nuclear weapons requires a lot of investment and will pollute the globe making the earth uninhabitable for future generations. The author stresses on the importance of peace and says that most people claim that world peace is impossible. The writer suggests that the world must collectively push for world peace.

The faint glimmer of hope urged the weary soldiers to march on. ✓

03/05

6B. The judge asked Mr. Thompson that was he seeking compensation for being removed from office on a very short notice to which Mr. Thompson agreed and further said that his dismissal was unfair. The judge stated that the law states that employees who have served long than a year can not bring the matter to court unless there was evidence for violation of rights to which Mr. Thompson replied that he felt his rights were violated. The judge responded by

saying that he was bound by law and
could not do anything about it and
Mr. Thomson had to accept things as
they were. The judge then dismissed
the case.

7. Translation

02/10

~~In a book ^{meat} festival in Lahore there were food
stalls and other~~

In a book festival at Lahore there were food stalls and other such stalls that were not related to books & literature and these stalls ~~defied~~ diverted the purpose of a book stall. Most people at the book festival complained that there were more food stalls at the book ~~stall~~ festival compared to book stalls and it felt like that the purpose of the festival was to sell more food than books.

1 hour 4 minutes
