# The Web of Human Interdependence

9.30

From birth to adulthood, man depends on others to fulfill all his needs, including basic necessities like food, shelter, clothing and livelihood.

10.30

During childhood, he relies on parental care, and as an adult, he cannot survive in isolation. He

11.30

needs physical, emotional, spiritual and social

12.30

support from others. Thus, human lives are interconnected, relying on mutual cooperation for existence in this world.
