Q.4

The turnaround of Pakistan's economy is not possible without comprehensive structural reforms in industry, agriculture, IT, power sector and Tax system of Pakistan.

Introduction:

At present time Pakistan's economy suffer alot of troubles and need comprehensive structural reforms in all the sectors like IT, agriculture, Industry, power sector and Tax system.

Pakistan is a country rich in natural resources but there is lack of political will, security, and unskilled people.

Reforms in industry:

Pakistan industries need comprehensive Reforms First of all

there is need of automation.
To start business in
Pakistan there is comprehensive
method of registrations
that need to change. Single
step method will introduce
via automation that give
support to foreign investors.
Secondly an expensive electricity
is another big issue
of Pakistan's industry.
Subsidies provided over
electricity in industrial
sectors that results Pakistan's
products compete in global
market.

Thirdly there is need for
educated and skill labours.

In Industry sectors
Reforms in agriculture:

Agriculture of Pakistan
provide 20% of Pakistan
GDP and it will be
become higher 40% if
Pakistan reform agri sector

General instructions for attaining good marks in current affairs

Important Note:

Marks would be given on the following parameters

a- Content 60% References 15% Subject specific language 15%. Graphs and charts 10%

Add 12-13 headings in each question

the questions carry 3_4 parts... each part has equal weightage so discuss all equally

Give examples from present events to justify answers

Give attractive introduction and Conclusion as well

always give headings from the question statement.. take words from the statement

link each of the argument to the asked part in the question... if you fail to do so, no matter how accurate content is, if your heading is not align with what is asked in the question, it won't be accurate

Good Luck
