

Q 3

Critically evaluate the unconditional support of US for Israel effects its image in Arab countries and how it provides a space to China and Russia to penetrate into Middle East.

Introduction

US unconditional support for Israel effects its credibility in Arab countries. Continuous support of US in term of Military, Financial or Diplomatic leading it to losing its grip in Middle East which resultantly create vacuum for Russia and China.

The Audacious actions of Israel pushing whole region at the edge of precipice. Actually, what America has done historically was its own mistakes and how America is losing Arab world will be discussed in details. And how China and Russia penetrating into Middle East.

What really Went wrong in history

The Middle East instability is not rooted in factors inherent in the region such as Ancient hatreds, Tribalism, and chronic violence. Which many western scholars and policy makers have assumed. It is mostly consequence of America's disastrous Foreign policy that during cold war and its interventions that have left such a lasting legacy.

In 1953 CIA sponsored coup against Iranian prime minister Muhammad Mossadegh. Change secular leaning nationalist vision to puritanical religious narratives which later becomes threat for US till now.

Similarly, coup against Egyptian president Gamal Abdel Nasser in mid 1950 which later

becomes the cause of Suez-canal

crises 1956. Before these events US viewed positive in the region.

US policies pushed the region into Militarism, Authoritarianism, sectarian rivalries, and strengthening political Islam rather than political development, liberalism, and social change. US want and still it is following authoritarian strongmen rather than democratic norms.

How America is losing Arab world

Target the image

After Hamas Oct 7, 2023 attack it bring new order in the region.

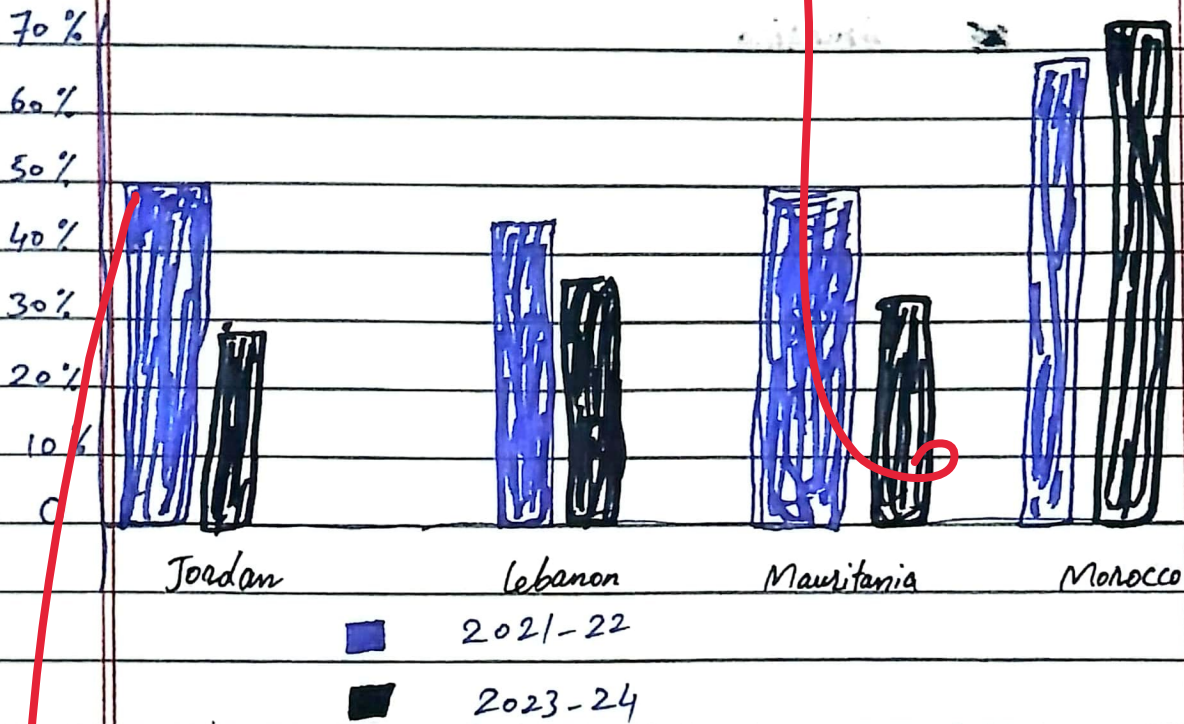

Three year Back Bahrain, Morocco, Sudan, and UAE had launched process to normalized their diplomatic relations with Israel. Saudi looked poised to do normalized diplomatic relations with Israel.

Now protest in Bahrain, Morocco, Sudan, UAE held and people demanded to cut diplomatic ties with Israel. Saudi Arab stated they will not do any diplomatic normalization until Palestine issue solved.

Arab world has authoritarian Regime it must not be problem for USA because public opinion doesn't matter.

This is not Totally True. People opinion matter alot because of digital age and 2019 Arab Spring incident which throw four Arab countries government out of office. Now a days Arab leaders understand the public opinion.

America is losing Arab
countries public support and
China is winning for maintaining
peace.

China and Russia Penetration in Middle East

Currently, Moscow views its position and presence in the region as marginal. However, it has been strengthening through several Naval and air bases and direct involvement in the Syrian war, accompanied by propaganda confirming Moscow's commitment to its allies. Unlike Washington who left Egyptian president Hosni Mubarak alone during Arab Spring.

For first time, Moscow established close relations with Gulf states especially Saudi Arab through joint coordination to control oil markets within the OPEC mechanism. Its relationship with UAE, Qatar also growing strong.

Since 1970, First time this year Russia sell weapon to Egyptian Army and help to construct first Nuclear reactor in dabaa.

You need to discuss parts in headings

Important Note:

Marks would be given on the following parameters
a- Content 60% References 15% Subject specific
language 15%. Graphs and charts 10%

Add 12-13 headings in each question

the questions carry 3_4 parts... each part has equal
weightage so discuss all equally

Give examples from present events to justify answers

Give attractive introduction and Conclusion as well

always give headings from the question statement..
take words from the statement

link each of the argument to the asked part in the
question... if you fail to do so, no matter how accurate
content is, if your heading is not align with what is
