Read the passage carefully

2 may occasionally true, they are not the reliable predictors of weather.

### part (iii)

Explain by understanding the passage and question

1 Yes, weather forecasting is a science and is called meteorology. Meteorologists use tools and techniques to predict weather patterns.

### part (iv)

2 Weather forecasting is complex because it involves many factors including atmospheric pressure, temperature, humidity and wind etc. These factors interact and make it difficult to predict future weather conditions with complete accuracy.

### part (v)

2 The moon was used as a traditional weather indicator. People believed that the moon's phase could influence the weather. For instance, full moon was associated with stormy weather but it had no scientific base.

DATE: \_\_\_/\_\_\_/\_\_\_

rights violation. Despite the plaintiff's insistence on feeling wronged, the judge clarified that no relief could be granted on such grounds. Hence the case was dismissed.

### Question 7

Recently, a conflict arose in a book fair in Lahore because instead of focusing on books and literary activities, there were several stalls selling food and drinks, thus detracting the original purpose of the fair. Many participants expressed their frustration and felt that the book fair had turned into a food market with less focus on books, authors and literary discourse. A debate ensued as to whether the event was serving its literary purpose or was just a front for commercial interests.

controversy emerged

04/10

Attempt in idiomatic and proverbial manner  
Focus on grammar please  
Do not attempt word by word
