Q7 Translation:-

Recently, a controversy started at book fair in Lahore because instead of concentrating on books and literature, several stalls were present for selling food items that placed the actual aim of fair behind others. Many participants expressed their disparity and felt that "book fair" have most probably become food street in which less focus and place was given to books, writers, and literature. In this fair, due to over-emphasis on food stalls a controversy began that whether the event was achieving its goal
