English Comprehension Test-2

Improve grammar and sentence structure

Q1:- What is the difference between human beings' fear of death and children's fear of darkness?
The difference between human beings' fear of death and children's fear of darkness is when human heard about death of a person, they feel extreme physical and emotional pain internally. Whereas when children heard horrible stories, which is just imaginary but this imagination created fear of darkness in children's mind from childhood, are the main causes of fear.

Q2:- What is a religious and sacred view of death?

A religious and sacred view of death is when a person recognizes that death is either a punishment for sins or a way to enter another world. This concept shows that it's a plan for us.

Q3:- What are the painful experiences described by the monks in their books?

The monks described the painful experiences in their books about how they put themselves to become physical pain, like self-torture, for trying themselves. The concepts of death make people very severe fear about death.

Q4:- What are the views of Seneca about death?

In the view of Seneca about death, the things which are happening around the dying person is just like the rituals and people's reaction, which are scarier than death itself.

Q5:- What are the facts that make death appear more horrible than it would be otherwise?

Death looks horrible because the thing which is going around a dead person makes a horrible scene like shaking, his pale face, crying of friends and family members and other rituals which is performing after death seems horrible.
