

Recis Test

Never write first person in the passage

The minute we open our eyes in this world, we cannot survive alone. We survive by getting things done by others and others survive likewise. We are in the need of help around them. Our parents raise us, our teachers educate us, our laws protect us and our friends comfort us in during the good and bad times.

Title: ~~Humans can't survive alone~~

Man is a social Animal

Need of assistance of Humans

Humans: social animals
