Q1

A. ~~Scary Death~~:- Fear to hear:-

The darkness  
of fear in childrens increased when  
they hear a story from the elders  
~~most of parents used to believe~~  
~~the ghost and thieves stay to their~~  
~~childrens~~, same as the case with human  
being, they heard the stories of  
life after death or the time when  
soul is leaving the body, as it is  
very painful process, so he fears of  
that.

Q2

A Religious and Sacred View:-

Human  
being are taught that the death is  
the result of his life, he who ever  
~~commits~~ make a sin in his entire life the  
it is his punishment and it is also  
the way to enter from one  
world to another which is a sacred  
view of life.

Q3

A Views of Monks:-

The <sup>painful</sup> painful experience is written into the book which they had ~~to~~ practise inflicting physical torture upon themselves. Things should be beyond these thoughts, and if, death is ~~an~~ indescribable but agonizing.

Q4

Answers should be 5-7 lines long.

As Seneca views:-

~~The dying man is seen conscious at once. The circulation of blood is stopped and body gets pale. These forced one becoming such and crying. They are making him ready for rituals. These things make death more horrible.~~

Death is not as gruesome as it seems.

Q5

As Views of death:-

The fear appears when death time is complete and the body is sometime shivering due to such drastic pain. ~~The~~ man is rational but after death he is not able to move his little fingers.

that is the thing which increased  
the fear of death.
