Peace as a Practical Goal

✓ Peace in the Era of Nuclear Weapons 05/20

The Narrator says that war makes no sense in an era when all the powerful countries have large reserves of nuclear weapons and are not afraid to use them. Today a single nuclear weapons is equal to ten times the explosive forces used

Overall Idea is ok
Title needs improvement
Grammar is Ok
The weapons can attack everything and affect the next generations. The accumulation of such weapons is the least efficient way of ensuring peace. Some say it is useless to think of world peace but one can pray for a change. As the problems are

man made, war is not necessary. By recognizing peace as a realistic and necessary goal, people can move towards it.
