

English Translation Test-2

If the world does not attract you, if tears come in your eyes due to the fear of God, if the thought of hell instills in you the fear of God, if you worship God the way it should be done, if goodness draws you in and your feet are stopped from going down the path of evil, then you are righteous. Some are righteous, while some become righteous. It is fortunate to be righteous. Becoming righteous is a continuous process of purification and struggle. It takes time and requires enduring hardships.
