1) Most of us fail in our efforts of selfimprovement because our plans are so ambitious but we don't have time to carry out them. Although one must stuck towards their plan but it need efforts which we usually avoid by claiming that we don't have time.

2) Announcing our resolution is a basic mistake because when we slip back into our old ways ~~people~~ we look even more foolish in front of those people.

The writer did not announce and keep his resolution limited to itself because announcing resolution and then not carrying it out makes a person ~~no~~ ^{look} foolish in front of others. That is why writer did not announced it and limited to itself.
