If world does not attract you towards itself, if your eyes are filled with tears of Allah's fear, if mere imagination of hell scares you, if you worship Allah the way one should, ~~play~~ if virtue entices you and you stop yourself from opting the wrong path, then you are pious. Some are pious and some become pious. It is fortunate for being a pious man.

However, it takes observation and sacrifice to become pious. It takes time and one has to bear the hardships for it.
