If the world doesn't excite you towards itself, if the fear of Allah brings tears in your eyes, if the thought of hell creates fear of Allah in you and if you worship Allah how he should be worshiped.

If the righteousness pulls you and your feet refrains from walking the path of evil ~~if~~ then, you are righteous. Some are righteous while some become righteous.

Being righteous is a matter of fortune. To become righteous, ^{it} is an act of constant purification. It requires time and also enduring hardships.
