There are many successful people in the history who started their life with exacerbated situations, however, they became enlisted as one of the successful and famous peoples in the world. Success, ~~hard work~~ <sup>respect</sup> and fame is not earned easily, only wealth can be obtained easily. It is the wealth that can be attained - without hardwork - only if a person gets it ~~from~~ in 'inheritance' from forefathers. The worldly material can be obtained through wealth but not happiness. Sometimes, it takes decades to become respectful, but it takes no time to become controversial or degraded.
