

Q. 1

Why most of fail in....?

Ans

Most of us fail in our effort for self-improvement, as past experience has taught that certain accomplishments are beyond attainment. firstly, our ^{schemes} ~~ambitions~~ are too ambitious and we never have time to carry out. secondly, we make error by announcing our resolution to everybody and we look more foolish when we slip back

Q. 2

Why is it a basic mistake to....?

Ans

When people set ambitious schemes and then announce them

to others, they make mistakes by announcing ambitions. As sometime these are unattainable for them or fail to achieve them. But everyone around them knows their plan, so they mock or laugh to others of not being able to attain their schemes.
