History is flooded with such successful people who started their ~~work~~ life <sup>journey</sup> with tiresome circumstances. Later on, they included in famous and successful personalities. Success, respect and ~~from~~ glory are not a cup of tea, only wealth can be.

But for that your ancestors must have property then you will get the wealth. You can ~~&~~ buy the world necessities with wealth but cannot buy happiness from it. Sometime a man need ~~decided~~ to earn respect but to own disrespect one moment is enough.
