

Title : Work At First, Fee At Second.

All well educated man like to make money but money is not main goal of their lives.

For instance, ~~A soldier felt glad~~

For a good soldier happiness is to wining fight not pay. on the

other hand for a Clergy man

goal is Preaching not to be

paid for Preaching. Further For

a doctor main goal of

his job to save lives, not fee.

Fee is always important but they

prefer their work on their fee.
