Question

Translate the following into English, keeping in view the idiomatic/figurative expression.

History was full of those people who started their life in difficult situation. But moving ahead, they become successful and well-known personalities. Success, respect, and fame do not awarded. There is a just wealth that can be awarded. But for that purpose, there is a condition that your forefather should have wealth. you can purchase everything from wealth rather than happiness. Sometimes, most of the time has been passed to earn respect but there is a single moment to be disrespect.
