

Translation # 01

History is full of those people who started their lives with extremely difficult situations and later they consider in a list of famous and successful personalities. Riches, dignity and fame are never served to you on a plate, only wealth can be handed to you on a platter, but even that comes with a condition: that your ancestors should have had assets, only then will you get wealth. From wealth you get worldly luxuries but can't buy happiness. Sometimes it takes decades to earn respect, but only a moment is enough to earn disgrace or become a controversial.
