

## Translation

History is take up all by  
 such successful individuals, who  
 began their lives with much  
 difficult circumstances. But going  
 ahead, they became one of  
 the successful and popular personalities.  
 Success, prestige and popularity  
 are never given to you in  
 plate. You can get more wealth  
 free of cost, for this, these  
 must be condition that you  
 ancestors should be wealthy, than  
 you will get wealth. You can  
 buy worldly necessities with  
 wealth but not the pain. Sometimes  
 it takes centuries for individual  
 to earn the honour but to  
 earn humiliation or being controversial,  
 just a brief time span is enough.
