English Translation Test - 2

If the colours of this temporary world
can't attract you, if Allah's
makes you cry, if the fire of Hell
makes you frightened, when you worship
Allah as such as should done, if you
use a poisonous person and you don't follow
the way which is not according to
Quran and Sunnah then you are
righteous. Righteousness is a gift from
God but to become righteous,
needs a lot of sacrifices and hardships.
