

## Love God As thy Love One's Fellow<sup>m</sup> Men

One night, Abu Ben Adhem saw an angel

holding a book containing the names

of all the God-loving men. He asked about

himself, but he was <sup>not</sup> ~~included~~ in it. As

someone who loved his compatriots, he prayed

that his name also be included. The angel

returned the following night and, by the God's

Grace, his name was on the top.
