

(TRANSLATION)

(Anila Rahat -137)

If the world doesnot attract you, If the fear of Allah brings tears into your eyes, if the concept of hell fire instills fear inside you, if you worship Allah the way you should, if good deeds attract you and your feet stop from following the path of evil than you are righteous. Some are righteous, some become righteous. Being righteous is a good fortune but to become righteous is a continuous effort and self-purification. It takes time and requires patience.
