History is full of such successful people who started their life in most worse situations. But, later on, they were enumerated in successful and renowned personalities. Respect, success, and honor never ever given to you in plate. Only wealth can be given to you in plate. But the condition is that your ancestors should have wealth. Only, in this way, you will get wealth. You can buy worldly things from wealth but, can't get happiness. Sometimes, it takes ~~of~~ decades to earn ~~was~~ respect. Meanwhile, only a single second is enough to be disrespected.
