Title: "Strength of Prayer"

Preci:

Once a noble man had seen an angel of God in his dream. He saw him writing something and asked about it. The angel replied that he was writing the names of persons who love God and you are not one of them. The man replied that he would pray to be among them. Then, the next time when the angel came, it informed him that he is ^{among} on the top of the persons, love by the God.
