Translation

If this world don't attracts you. If you get tears in your eyes due to fear of Allah. If the imagination of hell makes you frighten. If you pray to Allah just like the correct way to pray. If you attract towards goodness and you prevent yourself from wrong paths. Then you are pious. Some people are pious, some become pious. It's good luck to be a righteous one. This righteous process requires continuous knowing and consideration. It is a time taking procedure with a lot of difficulties.
