

English Translation Test-1 Date:.....

History is full of successful individuals who began their lives in extremely challenging circumstances but eventually became some of the most successful and renowned personalities in the world. Success, respect, and fame are never handed ~~to~~ on a silver platter - only wealth can be, and even for that, it is necessary that your ancestors had property, only then can you inherit wealth. With wealth, you can buy material comforts, but you cannot buy happiness. It takes decades to earn respect, but a single moment to bring disgrace.
