"TRANSLATION"

If world does not attract you, if your eyes fill with tears due to fear of Allah, if the imagination of hell makes you fearful, if you worship Allah Almighty as it should be, if good deeds attracts you and bad deeds repels you then you are the virtuous person. Some people are already virtuous, and some tries to become. Having a virtuous person is the sign of good fate. It's a process of continuous efforts and struggle to become virtuous person. It takes time and followed by many hardships.
