

ENGLISH TRANSLATION TEST - I

History is full of ^{these} successful people. Who started their career in the most-difficult situations. But with continuous efforts, they counted on the successful and famous personalities of the world. Respect, success and fame can not be earned easily as like property we get from our paternal ancestors, if they had. The wealth can buy you luxuries but not happiness. Sometimes, people spend decades to earn the respect but a moment is enough to destroy it.
