Quiz No. 6

Q. Translate the following into English, keeping in view the idiomatic / figurative expression.

If the world does not attract you, if fear of Allah brings tears to your eyes, if the imagination of Hell inculcates fear of Allah in you, if you worship Allah as it should be done, if virtue attracts you and your feet refrain from the path of evil, then you are pious. Some are pious by birth while others become pious. Being pious is a sign of fortune. It takes continuous self-purification and struggle to become pious. It takes time and involves sufferings.
