English Translation Test-2

Q: Translate the following into English, keeping in view the idiomatic / figurative expression. (10).

If world doesnot attract you, if you become sorrowful by the fear of Allah, if hell's imagination created the fear in you / if you get frightened by the hell's imagination, if you worship Allah as it should, if virtue attracts you and you avoid evil doings then you are a righteous person. Some people are righteous and some pretend to be righteous. Being righteous is a virtue of ^{good} fortune. Being righteous is a process of continuous purification and efforts. It takes time and one has to also bear difficulties
