## The Book of the Blessed

A pious man, woke up from a dream seeing an angel writing in a golden book. The serene appearance of the angel did not scare him and asked what was he writing. The angel sweetly replied with the 'names of those who love God'. He got a no when asked about his name in the list. He, then, begged him to write his name among those who love their fellowmen. The angel wrote and left. The following night, he woke up by the angel's bright light and saw his name at the top of the list of the blessed men.
