Rida Abbas - 065

History is filled with successful people who started their lives in most difficult circumstances, but then they become famed and successful individuals in the world.

Success, honor and fame are not served in the platter only wealth is served in the platter, and even that requires a condition that your ancestor have wealth only then you can have wealth. You can buy worldly necessities with wealth, but you cannot buy happiness. Sometimes it take decades to earn respect but only a moment to disgrace.
