Q: Translate the following into English, keeping in view the idiomatic/figurative expressions.

Translate :

If the world doesn't pull you towards it, if the fear of Allah brings tears into your eyes, if the thought of Hell instills in you a fear of God, if you worship Allah as He should be worshipped, if goodness attracts you and your feet avoid from walking the path of evil, then you are righteous. Some are inherently righteous, while some become righteous. Being righteous is a matter of fortune; becoming righteous is a process of constant purification and struggle. It takes time and one must endure hardships.
