

English Comprehension

(Test - 01)

(1)

Most of us make a resolution to do certain things and not to do the others for our self-improvement. However, most of us fail in our efforts because we become too ambitious at the time of making resolution and practically fail to execute it. Secondly, we announce our resolution and when we fail to achieve it, the sense of failure results in demotivation.

(2)

Most of the people make certain resolution for the sake of their self improvement. However, they make a basic mistake by announcing their resolution to others as

it is very common that resolutions are made ambitiously but after an individual falls back to his previous routine. If an individual fails in achieving his resolution, people make fun of his ambition and goal that leads to self discouragement.

(3)

Most of the people around the globe make resolution on the New Year's Eve. The writer also made two resolutions for the sake of his self improvement. He made a resolution to do physical exercise in the morning and to read in the evening. However, the writer failed to carry out his resolution on New Year's Day due to the overnight party.

(4)

(a) - favourite

(b) - frustration

(c) - slip back into
