Blessing of loving humanity

Abu Ben Adhem woke up one night to find an angel writing in his golden book. Unafraid, Abu inquired the angel what it was recording. The angel peacefully told him that it was recording the names of people who love God. Abu asked if his name was among them, the angel said no. Abu, then, requested it to write his name in the list of people who love others. The angel noted and disappeared. The next night, the angel appeared with a bright light and showed Abu the list of people blessed by God's love, with name of Abu being on top of it.
