### Translation

The history is full of such type of successful people who started their life in very difficult circumstances but with the passage of time they are included in the world's successful and famous personalities. Success, respect, and popularity are not achieved in a easy way; only money is achieved easily; but for this, it is essential that your ancestors have a lot of property then you will have money. You are purchased world's luxuries by money but not happiness. Sometime, decades are required for the people to earn respect. In the contrary, only a single moment is enough to become infamous and contentious person.
