تاریخ ایسے کامیاب لوگوں سے بھری پڑی ہے۔

Translation:

History is filled with people who started their life in very difficult circumstances but later on they became successful and famous personalities. Success, respect and fame is not given in plate. Only wealth can be given in plate. There is condition for it, your ancestors should have wealth then you can get it/wealth. You can buy worldly things/materialistic things with wealth, But you cannot buy happiness. Sometimes men take/require centuries to become respectable. It takes only one moment or issue to become disrespectful.
