"MONEY IS NOT EVERYTHING"

It is not possible for well educated, intellectual and brave man that money should be the main thing for him or the dinner the principle object for him. Healthy people like dinner but dinner is not main purpose of their lives. They do like to make money and enjoy the sensation of winning it which is better than money. A good soldier's mainly wishes to fighting well. He is glad of his pay and it ^{only} grumbles when you are not paying it. His main aim is to win battle ^{likely} to be paid for them. Clergy man is to baptize and preach not to be paid for it. Some on doctors they do like fees but the ~~see~~ money is not only thing for their lives. If they are good doctors they would cure the sick patient rather than having fee first and loosing patient for all brave and well trained man: work is first money is second; very important but second.
