Memoranda

If world doesnot appeal you, if your eyes fill up with tears due to fear of Allah, if imagining hell creates fear of God in you, if you do worship of Allah in such a way as it should be, if virtue attracts you, and your steps donot move towards vice, then your are virtuous. Some are virtuous. Some try to be virtuous. To be virtuous is a fortune. To become virtuous is a continuous process of purification and struggle. It takes time and ^{one} has to bear hardships.
