History is filled with those successful people's, who started their life with the extremely difficult situations, but eventually they got included in successful and popular personalities of the world. Success, Dignity/Honour and popularity can never give you in plate, only wealth can give you in plate, but there's a condition for it as well, that; your ancestors should be wealthy, so you can also get wealth. One can purchase worldly things with wealth, but not happiness. Sometimes, it takes decades to a person to earn Honor, but to earn dishonor or get contentious, a moment might be enough.
