PrécisRough Draft

- It is physically impossible for a well-educated intellectual, or brave man to make money from the chief object of his thought just as it is for him to make his dinner the principal object of them.
- So all the healthy minded people like making money ought to like it and enjoy the sensation of winning it; it is something better than money.
- A good soldier, manly wishes to do his fighting well, his main mission of life is to win battle, not to be paid for winning them.
- The clergyman's object is essentially to baptize and preach not to be paid for preaching.
- So for doctor, desire to cure the sick and lose their fee.  
with all other brave and mighty men their work is first, their fee second.
