Previs - Quiz (2) Translation

Q Translate the following into English keeping in view the idiomatic / figurative expression.

History is filled with the stories of those who illuminated even the darkest nights with the light of their success. Success, respect, and fame are never served to you on a silver platter; only wealth can be. But even for that, there's a condition - you must already possess the land of scarcity before fortune comes knocking at your door. With wealth, you can buy the treasures of the world, but you can never purchase true happiness. Sometimes it takes a person decades to earn respect, but a single moment is enough to gain paradise or become controversial.
