Past experience has taught us that certain accomplishments are beyond attainment. We have so often experienced the frustration that results from failure. Most of us fail in our efforts at self improvement because our schemes are too ambitious and we never have time to carry them out.

Question NO: 2

Announcing our resolution to everybody so that we look even more foolish when we slip back into our bad old ways. Keeping the resolution to oneself avert the pitfall of slipping back to bad old ways. Working in silence and letting the success speak.

Question NO: 3

An Overnight party on New Year's Eve provided the writer with a good excuse for not coming out either of these new year resolutions on the first day of the year. A night of joy made the writer to postpone his New year's resolution for a day.
