## Q.1

Most of us fail in our efforts for self-improvement because we don't carry out our resolution consistently. Most of us don't stick to the plans which they made on the New Year.

## Q.2

It is a basic mistake to announce our resolution to everybody because we don't follow our resolutions consistently and causes failure, which makes us foolish in front of the people.

### Q.3

The writer did not carry out the resolution because he diminished his time for the exercise and eventually he left after some days. He also started reading in front of television which distracted his focus. Then he bought a book for tips to reading fast. ~~and~~ Even he didn't read this book. So, writer didn't stick to the resolutions.
